## Granite Floor Finish

Telephone 31-3.

This is the most satisfactory Finish for floors yet before the public. It takes very little time or Finish to "go them over," even if applied semi-annually, and it can be applied by anyone. If done now, it will dry over night and give perfect satisfaction. If applied semi-annually, use the "B" grade. If only annually applied use "A," reduced with one-fourth turpentine.
